

LETTER OF ENDORSEMENT

for Dr. Marco Paret

Oradea, 18th April 2025

To Whom It May Concern

We hereby confirm that Dr. Marco Paret was invited as a guest expert and keynote speaker at the international conference "*Psychotherapeutic Orientations in Modern Psychiatry*", held in Oradea, Romania, between March 1st and 3rd, 2024. The event was organized in collaboration with the University of Oradea, Faculty of Medicine and Pharmacy.

Dr. Paret contributed with a workshop on Non-Verbal Hypnosis, a topic which generated considerable interest among the participants. His presentation was appreciated by both faculty members and attendees for its originality and for bridging clinical perspectives with subtle aspects of non-verbal communication.

As President of the Conference Organizing Committee, I can affirm that his presence added value to our scientific program and facilitated interdisciplinary dialogue in an area that remains underexplored in traditional psychiatric settings.

Given the relevance and innovation of his work, we express our support for Dr. Marco Paret's application for an [REDACTED] Visa to the United States. We are confident that his expertise will be of benefit to academic and clinical institutions abroad, as it has been during our collaboration in Oradea.

Sincerely,

Prof. Univ. Dr. Adrian Bumbu

President, Conference Organizing Committee
